DOOR-TO-DOOR FUNDRAISING PROGRAMS

Sell and deliver at the same time with our fundraising backpacks. Each participant receives a Drawstring backpack that contains **20 Pocket First Aid Kits or 12 Emergency Safety Hammers** which they will use when going door-to-door fundraising.

Bonus - each participant gets to keep the drawstring bag as a reward once the campaign is over! The Easy to Carry Drawstring bag can be customized with your Groups logo or the text of your choice to showcase the cause for your fundraising campaign.

*Minimum order quantities required for customizing drawstring bag

How it works:

- 1 Select your choice of product to sell: **20 Pocket first aid kits per backpack** or **12 Emergency Safety Hammers per back pack**.
- 2 Determine how many backpacks will be needed, typically 1-2 per student/fundraiser.
- 3 Fundraising coordinator places group order with us and once payment is received; your order will be picked, packed and shipped within 1-2 weeks.
- 4 Qualifying schools can be allowed to receive products and be invoiced for payment after the fundraising event, provided they submit an official Purchase order.

EVENT FUNDRAISING PROGRAMS

Looking for a creative way to raise funds at your next event? Why not try First Aid Kits! They make a great gift that will certainly help your organization reach your fundraising goals.

How it works:

- 1 Select your choice of First Aid kits you plan to offer at the event from the list of products below. This can be one product or a combination of products.
- 2 Fundraising coordinator places the order with us and once payment is received; your choice of products will be picked, packed and shipped, typically within 1-2 weeks.
- 3 Qualifying schools can be allowed to receive products and be invoiced for payment after the fundraising event, provided they submit an official Purchase order.

BROCHURE FUNDRAISING PROGRAMS

No upfront costs, no minimums, no contracts.

We will supply **Free Brochures** so your fundraisers can use to show and sell the First Aid kits. Complete the order forms and collect payment from friends and family.

How it works:

- 1 We supply a full color brochure showcasing the various first aid kits available for sale. The fundraising coordinator orders the number of brochures needed for the event (1 per student/fundraiser).
- 2 Once you receive the brochures from us, start your fundraising campaign.
- 3 When finished, group all individual orders and fill in the Group Order form. Send the completed group form back to us along with your payment. (Qualifying schools can be allowed to receive products first and be invoiced for payment after the fundraising event, provided they submit an official Purchase order).
- 4 Allow 1-2 weeks for your order to be picked, packed and shipped.
- 5 Once you receive your order, students/fundraisers will distribute the products out to their customers.
