### Home and School – Principal’s Report January 17, 2022

#### TVDSB’s Operational Plan 2020-2022-Updates

**Goal One – Objective #1:** Students are successful readers by the end of Grade 2.

*Here’s How:* With a need to be flexible with remote learning, the school just purchased 4 document cameras for our LSTs and ELTs to use to support with our intensive reading programs and ESL programs

**Goal One – Objective #2:** Students apply knowledge of numbers and operations to solve math problems in everyday life.

*Here’s How:* Our teachers are, once again, getting back into using online math programs to further support learning. In addition to their new MathUp licenses, some teachers are now also using Knowledgehook as supplementary math learning activities (currently FREE for all TVDSB teachers.)

#### Balanced Day

The Balanced Day Committee is established and we’ve officially started the process.

#### Kindergarten Registration Begins Today

Spread the news that the online registration is now open for parents to register. Once they complete the online registration, we will send out an electronic “Welcome to Kindergarten” package of information.

#### Grade 9 Registration

Our Grade 8s have already begun registering for Secondary School and selecting their courses. Remember that Grade 9 courses have now been de-streamed.

#### Staffing Changes

Tara Vestering has begun her Maternity Leave. Amanda Lunn is currently filling in as the captain of our office.
