### 1. School Improvement Plan and School Goal

To align with TVDSB's Operational Plan, here's what we're doing:

**Goal One – Objective #1:** Students are successful readers by the end of Grade 2.

*Here's How:* CLST small groups and Empower have begun, Literacy Team meetings every 6-8 weeks, Phonics/Reading diagnostic data being collected and shared

**Goal One – Objective #2:** Students apply knowledge of numbers and operations to solve math problems in everyday life.

*Here's How:* Classroom Math Support Teacher (CMST) has helped complete PRIME math diagnostics for Gr. 6, homeroom teachers are collecting grade-level math diagnostics for tracking and planning

### 2. HAWKS Power

- We had our first Assembly where we introduced *Perseverance* and classes will be completing a follow-up activity to identify a goal, a potential obstacle/challenge, and who they can go to for help

### 3. Extra-curricular Activities and Other Events

- We were able to meet our \$1000 donation goal for Terry Fox so Mr. Bell and Mr. Najm kindly took a pie to the face

### 4. Graduation Folios/Composites

- Edge Imaging was asking if we wanted to follow the same process as last year for the Grad folios/composites
- Is this in Home & School's budget again this year? We have approximately 30 Gr. 8s
