Home and School – Principal’s Report October 3, 2022

1. Staffing

- We are status quo from June – 12 Homeroom Classes
- Additional allocation – 0.4 CLST (Classroom Literacy Support Teacher)

2. School Improvement Plan and School Goal

To align with TVDSB’s Operational Plan, here’s what we’re doing:

Goal One – Objective #1: Students are successful readers by the end of Grade 2.

Here’s How: We have, once again, purchased a school-wide Reading A to Z license and student licenses of Raz Kids for the majority of students K to Gr. 6 (approx. \$900).

Ms. Hayes, our CLST, is assisting in gather reading/phonemic awareness data from early Primary students to plan for focused intervention and direct instruction.

Goal One – Objective #2: Students apply knowledge of numbers and operations to solve math problems in everyday life.

Here’s How: All teachers, again this year, have been gifted with FREE Knowledgehook class licenses to support our students with the practice of rich math activities, processes, operations, and problem-solving. We were able to purchase 2 additional MathUp teacher licenses – thank you for your support in this. Currently, all teachers who desire a license have one!

3. Fundraising Requests

- Thank you for your donation of classroom equipment – the kids are thrilled!
- From Ms. Rundle: She is asking if Home and School can support this year’s Forest of Reading...
